

Data and Record Protection

Certified 2 hour fire protection

The Guardall GDF Series of Data Safes are specially designed with a second layer of fire protection to safeguard valuable data storage devices from hazards such as moisture, humidity, heat and magnetic fields. The Data Safes come with electronic locking and are designed to give 2 hour electronic data and record protection.

SECURITY FEATURES

- Digital keypad and electronic lock
- Insulation filled steel body and door
- External hinges with internal anti-pry dead bar.
- Certified 2hours fire resistant for paper and data
- Durable hardened paint finish
- Removable Shelving
- Easy slide drawers
